CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

132-51 - IT Professional Services

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity dollar volume, prompt payment or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer should show the range of the lowest price, and cite the areas to which the prices apply.

Not applicable

1c. If the Contractor is proposing hourly rates. A description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.
See Labor Category pricing, page 9.

2. Maximum order.

\$500,000.00

3. Minimum order.

\$100.00

4. Geographic coverage (delivery area)

Domestic delivery only

5. Point(s) of production (city, county, and State or foreign country)

Trideum Corporation
655 Discovery Drive, Suite 100
Huntsville, AL 35806-2845

6. Discount from list prices or statement of net price.

See GSA Awarded pricing. All prices are NET. Basic discounts have been deducted.

7. Quantity discounts.

None

8. Prompt Payment Terms.

Net, 30 days

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

Government purchase card is accepted at, or below the micro-purchase threshold.

9b. Notification that Government purchase cards are accepted or not accepted above the micro-purchase threshold.

Government purchase card is accepted at, or above the micro-purchase threshold.

10. Foreign items (list items by country of origin)

None

11a. Time of delivery (Contractor insert number of days)

As negotiated between the Ordering Activity and the Contractor

11b. Expedited delivery. The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list," under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

As negotiated between the Ordering Activity and the Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

As negotiated between the Ordering Activity and the Contractor

11 d. Urgent requirements. The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery.

As negotiated between the Ordering Activity and the Contractor

12. F.O.B. point(s).

FOB Destination

13a. Ordering address(es):

Trideum Corporation
655 Discovery Drive, Suite 100
Huntsville, AL 35806-2845

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPS's) are found in Federal Acquisition Regulation (FAR) 8.405-3

14. Payment Address(es).

Trideum Corporation
655 Discovery Drive, Suite 100
Huntsville, AL 35806-2845

15. Warranty provision.

Not applicable

16. Export packing charges, if applicable

Not applicable

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level)

Purchase at, or below the micro purchase threshold

18. Terms and conditions of rental, maintenance, and repair (if applicable)

Not applicable

19. Terms and conditions of installation (if applicable)

Not applicable

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable)

Not applicable

20a. Terms and conditions for any other services (if applicable)

Not applicable

21. List of service distributions points (if applicable)

Not applicable

Not applicable

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).

Not applicable

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov

25. Data Universal Numbering System (DUNS) number

153567347

26. Notification regarding registration in Central Contractor Register (CCR) database.

Active in SAM. Registration is valid through 9-10-2016

TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51) AND IDENTITY ACCESS MANAGEMENT PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-60F)

The phrase, "Information Technology (IT) Professional Services/Identity Access Management (IAM) Professional Services" in the following paragraphs may need to be revised in order to be consistent with the Offeror's proposal; e.g., if only IT Professional Services are offered, all references to IAM Services should be deleted.

****NOTE: All non-professional labor categories must be incidental to, and used solely to support professional services, and cannot be purchased separately.*

1. SCOPE

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT/IAM Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation -May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT/IAM Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

a. The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either- (1) Cancel the stop-work order; or (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

b. If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

c. If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

d. If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS -COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I -OCT 2008)

(DEVIATION I - FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data - General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT/IAM Professional Services.

9. INDEPENDENT CONTRACTOR

All IT/IAM Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

"Contractor" means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

"Contractor and its affiliates" and "Contractor or its affiliates" refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An "Organizational conflict of interest" exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor's or its affiliates' objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT/IAM Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission or proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I - OCT 2008) (DEVIATION I - FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212- 4 (MAR 2009) (ALTERNATE I -OCT 2008) (DEVIATION I - FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31 (Feb 2007) Time-and-Materials Labor-Hour Proposal Requirements-Commercial Item Acquisition. As prescribed in 16.601(c)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by-(1) The offeror; (2) Subcontractors; and/or (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT/IAM PROFESSIONAL SERVICES AND PRICING

a. The Contractor shall provide a description of each type of IT/IAM Service offered under Special Item Numbers 132-5 I IT/IAM Professional Services should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.

b. Pricing for all IT/IAM Professional Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices, minimum general experience and minimum education.

The following is an example of the manner in which the description of a commercial job title should be presented:

EXAMPLE: Commercial Job Title: System Engineer

Minimum/General Experience; Three (3) years of technical experience which applies to systems analysis and design techniques for complex computer systems. Requires competence in all phases of systems analysis techniques, concepts and methods; also requires knowledge of available hardware, system software, input/output devices, structure and management practices.

Functional Responsibility: Guides users in formulating requirements, advises alternative approaches, conducts feasibility studies. Minimum Education: Bachelor's Degree in Computer Science

PRICE SCHEDULE

Sr. Program Manager	\$169.55
Program Manager	\$138.90
Sr. IT Project Engineer	\$125.54
IT Project Engineer	\$110.87
Sr. IT Engineer	\$106.85
IT Engineer	\$100.18
Computer Scientist	\$86.83
Programmer III	\$79.81
Sr. Admin Support	\$53.56

On-Site (Customer Site) Labor Categories (includes IFF)

Labor Category (Customer Site)	GSA Rates 6/13/2016 to 6/12/2021
Sr. Program Manager	\$146.93
IT Project Engineer	\$96.20
Computer Scientist	\$71.28

LABOR CATEGORY DESCRIPTIONS

1. Sr. Program Manager

Minimum/General Experience: 25 years experience with a BS or BA, 20 years Experience with a MS or MBA or 15 years experience with a PhD, of which at least ten years is in Information Technology or related project development from inception to deployment. Demonstrated ability to provide guidance and direction in high technology programs. Proven expertise in the management and control of funds and resources and demonstrated capability in managing multi-task contracts of varying complexity.

Functional Responsibilities: Serves as the single contract (or project) manager for complex or large projects, and shall be the authorized agent to interface with the client. Responsible for formulating and enforcing work packages, assigning schedules, reviewing work discrepancies, supervising contractor personnel and communicating policies, objectives, and goals of the organization to subordinates. Responsible for the overall contract or program performance.

Minimum Education: Bachelor's Degree in Computer Science, Information Systems, Engineering, or other related scientific or technical discipline from an accredited college

2. Program Manager

Minimum/General Experience: Fifteen (15) years experience, of which at least ten years is in management of supervising personnel and/or interfacing with Information Technology or related project development from inception to deployment. Demonstrated guidance and direction in technical projects. Proven expertise in the management and control of funds and resources in addition to demonstrated capability in managing multi-task contracts of varying complexity.

Functional Responsibilities: Serves as the contract (or program) manager, and shall be an authorized agent to interface with the client. Responsible for formulating, monitoring, and enforcing work plans, assigning schedules, reviewing work discrepancies, and supervising personnel. Responsible for contract performance.

Minimum Education: Bachelor's Degree in Computer Science, Information Systems, Engineering, or other related scientific or technical discipline from an accredited college.

3. Sr. IT Project Engineer

Minimum/General Experience: Ten (10) years experience, of which at least Five (5) years is in Information Technology or related project development from inception to deployment. Demonstrated ability to provide guidance and direction in high technology programs. Proven expertise in the management and control of funds and resources and demonstrated capability in managing multi-task contracts of varying complexity.

Functional Responsibilities: Serves as the single contract (or project) manager for complex or large projects, and shall be the authorized agent to interface with the client. Responsible for formulating and enforcing work packages, assigning schedules, reviewing work discrepancies, supervising contractor personnel and communicating policies, objectives, and goals of the organization to subordinates. Responsible for contract performance.

Minimum Education: Bachelor's Degree in Computer Science, Information Systems, Engineering, or other related scientific or technical discipline from an accredited college.

4. IT Project Engineer

Minimum/General Experience: Seven (7) years experience, of which at least two (2) years is in Information Technology or related project development from inception to deployment. Demonstrated guidance and direction in technical projects. Proven expertise in the management and control of funds and resources in addition to demonstrated capability in managing multi-task contracts of varying complexity.

Functional Responsibilities: Serves as the contract (or program) manager, and shall be an authorized agent to interface with the client. Responsible for formulating, monitoring, and enforcing work plans, assigning schedules, reviewing work discrepancies, and supervising personnel. Responsible for contract performance.

Minimum Education: Bachelor's Degree in Computer Science, Information Systems, Engineering, or other related scientific or technical discipline from an accredited college.

5. Sr. IT Engineer

Minimum/General Experience: Ten (10) years of progressive experience in engineering design and analysis of IT or related systems experience in all phases of design, development, analysis and documentation, and development of standards and guidelines for tasks being performed.

Functional Responsibilities: Provides professional, highly technical, expertise and guidelines for solving engineering problems on projects relating to new development or system modifications. Experience in data acquisition/prediction, modeling/simulation, computer systems/operations, or automated computer controlled testing of electronic hardware, software development or other IT related technologies. Performs all phases of development, integration/implementation and evaluation. Develops standards and guidelines for tasks being performed. Interfaces with customer personnel at multiple levels and locations. Formulates and reviews project engineering requirements, schedules, and studies, and ensures conformance to work standards. Interfaces with customer personnel.

Minimum Education: Bachelor's Degree in Engineering or Science.

6. IT Engineer

Minimum/General Experience: Five (5) years of progressive professional experience in engineering design and analysis of IT or related systems. Experience in design, development, analysis, and documentation.

Functional Responsibilities: Provides professional, technical expertise for solving engineering problems on information technology or related projects. Performs work in any combination of analysis, research, development, integration/implementation, and evaluation. Implements standards and guidelines for tasks being performed. Interfaces with customer personnel.

Minimum Education: Bachelor's Degree in Engineering or Science.

7. Computer Scientist

Minimum/General Experience: Seven (7) years experience, Including at least 2 years of task leadership.

Functional Responsibilities: Performs work involved in one or more of the phases of developing software products, services, or software used in products provided to external customers. May develop applications or work with operating system software. May provide technical leadership on small tasks.

Minimum Education: Bachelor's degree in Computer Science, Mathematics, Engineering or related area.

8. Programmer III

Minimum/General Experience: Five (5) years of related experience in software coding/design and user support.

Functional Responsibilities: Performs work involved with the design, development, testing and documentation of computer programs that support external customers. May also troubleshoot code, specify programming tools, interface with technical staff, and provide status reporting.

Minimum Education: Bachelor's degree in Computer Science, Engineering, Mathematics or related area.

9. Sr. Admin Support

Minimum/General Experience: Five (5) years experience in administrative support.

Functional Responsibilities: Performs general administrative and clerical duties necessary to meet the needs of the department or project, and assumes responsibility for other duties based on the degree of knowledge of operations, such as, prepares designated reports for management; responds to inquires and provides information in accordance with policies and procedures.

Minimum Education: Associates Degree

Education / Experience Substitution Policy:

Degree	Degree and Experience Substitution	Experience Substitution
Associates	2 years	2 years
Bachelor's	Associates + 2 years	4 years
Master's	Bachelor's + 2 years	6 years
Doctorate	Master's + 4 years	10 years
